

ADULT >12 months Persian 30

© Labat

Maintaining the beauty of a long coat

Reveals the beauty of the Persian's long, dense coat, thanks to **Beauty Shine Complex**, which helps limit skin issues, reinforce the skin's «barrier» role, and intensifies coat colour, shine and softness.

Hairball Reduction

Helps limit the formation of hair balls and encourages gastric motility, thanks to an exclusive combination of fibres.

Reinforced digestive safety

Ensures optimal digestive tolerance.

Special brachycephalic jaw

Almond 11, a kibble exclusively created for the « sub lingual » prehension method, characteristic of the Persian cat.
