***Short description:***

Beaphar Salmon Oil is a delicious natural supplement for cats and dogs, derived from sustainable fisheries. It is naturally rich in Omega 3 and 6, which provides a good source of essential fatty acids, including EPA and DHA. Health benefits include helping to aid mobility in cats and dogs, supporting the heart and cardiovascular system, and helping to maintain a shiny coat.

Beaphar Salmon Oil provides an excellent source of energy for outdoor cats and active dogs. It helps to promote vitality, and can be used to help increase the palatability of food.

***Long description:***

Beaphar Salmon Oil is a delicious, natural, nutritional supplement for cats and dogs, which has been sourced from sustainable fisheries.

Salmon oil is naturally rich in Omega 3 and 6, and provides a source of essential fatty acids like EPA (Eicosapentaenoic acid) which is known to reduce inflammation, aid mobility and support a healthy heart, and DHA (Docosahexaenoic acid) which has been shown to help cognitive development and visual acuity.

In addition, Beaphar Salmon Oil is ideal for supporting cats and dogs who have dry, itchy or flaky skin, promoting a thick lustrous coat, or as an energy booster for working and active dogs, helping to increase their stamina.

Due to its delicious taste, some pet owners find Beaphar Salmon Oil is a great way of increasing the palatability of their pet's normal dry food for fussy eaters. Under normal use, this product will not cause weight gain.

Suitable for all breeds of cat and dog.
